# **DOD Web Supply Discrepancy Report (SDR)**

**U.S. AIR FORCE**

**MSgt Norm  
Bryant  
HQ SSG/ILSPR  
4 NOV 03**

---

***Integrity Service Excellence***

**U.S. AIR FORCE**

# **DOD Web Supply Discrepancy Report (SDR)**

*Logistics  
Information SPO*

- **What is it and who will use it?**
  - **A Web based system with a single point of entry to submit, monitor and respond to SDRs (formerly known as Report of Discrepancy - ROD)**
  - **All the services will use this system**
  - **AF agencies who will use this system**
    - **Retail & Wholesale Supply**
    - **Medical**
    - **Others (If you order parts from DLA, AFMC or another Service you should identify your agency as a user )**

**U.S. AIR FORCE**

# **DOD Web Supply Discrepancy Report (SDR)**

**Logistics  
Information SPO**

- **System Functionality**
  - **Auto Filled Fields (uses DAASC Requisition & Shipment historical files)**
  - **Drop Down Code Lists**
  - **Auto Routing of SDRs based upon Business Rules**
  - **Tracks Submissions & Responses**
  - **Auto follow-up**
  - **Supporting Documentation (Photographs, Scanned Images, etc)**
  - **Security (Controls established under DAASC VLIPS and will require a user ID and password)**

**U.S. AIR FORCE**

# **DOD Web Supply Discrepancy Report (SDR)**

*Logistics  
Information SPO*

- **Development Schedule**
  - **Phase 1 (NOV 03)**
    - Supports Submission of SDRs only
    - E-Mail routing process
  - **Phase 2 (JUL 04)**
    - Supports Responses to SDR Submissions
    - Reports
    - Queries
    - Electronic image (System to System) routing

**U.S. AIR FORCE**

# **DOD Web Supply Discrepancy Report (SDR)**

*Logistics  
Information SPO*

- **What we need from you**
  - **Initial Implementation**
    - HQ AF will be sending a message to all retail and wholesale Supply accounts requesting the establishment of “Generic” e-mail addresses for each SRAN/DODAAC
    - You will be our POCs if we are unable to get a response from a specific SRAN/DODAAC
  - **Subsequent Requirements**
    - Ensure a “Generic” e-mail address is established upon submission of a new SRAN/DODAAC
    - Ensure a “Generic” e-mail address is established whenever a SRAN/DODAAC is reassigned to another activity
    - Ensure the Web SDR is updated with this “Generic” e-mail address
